## The United Nations

The United Nations is an international organization. It brings many different people together to help the world. The main United Nations building is in New York City in the United States. Many people from different countries work for the United Nations. They're from Brazil, Mexico, China, the United States and many other countries. They speak six official languages at the United Nations. They are Arabic, Chinese, English, French, Russian and Spanish.

### Objectives

#### *Peace and security*

The member countries send volunteers to help keep the peace in different areas of the world.

#### *Human rights*

The United Nations works to protect the human rights of people everywhere.

#### *Development*

The organization also get countries to cooperate to solve international problems.

### Ambassadors

Famous people help the United Nations, too.

Angelina Jolie is an actress from the United States. She is a Special Envoy for the United Nations. She travels to many countries to help people.

Yao Chen is a Chinese actress. She is also a

United Nations Goodwill

Ambassador. She writes on the Internet to help people learn about other countries.
